COMMENTS:

This amendment removes the provisions that would have required (1) Franchise Tax Board (FTB) to establish a two-year pilot project with up to six counties to assess the feasibility, risks and benefits of referring to the FTB all child support obligations presently being enforced by county district attorneys (DAs) and (2) trades or businesses to report to Employment Development Department payments made to independent contractors in excess of \$600, which is information FTB would use for collection purposes (this provision remains in AB 196 (Kuehl), which was recently enrolled). With these two provisions removed from the bill, this bill does not directly affect FTB's operations or programs.
